

Contributor's License

Author(s) retain copyright for all items contributed to SHAREOK at Oklahoma State University (OSU). Contributors click on a license agreement that signifies that they own the copyright and have the right to deposit the item and that grants to the Oklahoma State University Libraries a LIMITED, NON-EXCLUSIVE LICENSE to disseminate the item through the repository and to migrate the item (i.e., copy it) for preservation purposes.

Non-exclusive Distribution License

To properly administer SHAREOK at OSU and preserve the contents for future use, the Oklahoma State University (OSU) Libraries requires certain permissions from you, the author(s) or the copyright owner. By accepting this license, you still retain copyright to your work. You do not give up the right to submit the work to publishers or other repositories.

By accepting this license, you grant to the OSU Libraries the non-exclusive right to reproduce, translate (as defined below), and/or distribute your submission (including the metadata and abstract) worldwide, in any format or medium for non-commercial, academic purposes only.

OSU Libraries will clearly identify your name(s) as the author(s) or owner(s) of the submission, including a statement of your copyright, and will not make any alteration, other than as allowed by this license, to your submission.

You agree that the OSU Libraries may, without changing the content, translate the submission to any medium or format and keep more than one copy for the purposes of security, back up and preservation. You also agree that authorized readers of your work have the right to use it for non-commercial, academic purposes as defined by the "fair use" doctrine of U.S. copyright law, so long as all attributions and copyright statements are retained.

You represent that the submission is your original work, and that you have the right to grant the rights contained in this license. You also represent that your submission does not, to the best of your knowledge, infringe upon anyone's copyright. You also represent and warrant that the submission contains no libelous or other unlawful matter and makes no improper invasion of the privacy of any other person.

If the submission contains material for which you do not hold copyright and that exceeds fair use, you represent that you have obtained the unrestricted permission of the copyright owner to grant the OSU Libraries the rights required by this license, and that such third-party owned material is clearly identified and acknowledged within the text or content of the submission.

The repository is meant to be a permanent scholarly record and once a paper is deposited. Removing content is discouraged; however, content may be removed from the SHAREOK at OSU under certain circumstances. Reasons for removal may include copyright infringement, plagiarism, or falsification of data.

Updated versions of content may be posted, and can be linked to the first posted version. Earlier versions may be removed at the author(s) request.

Regardless of an author's affiliation with the university, their material will remain in SHAREOK. At their request, new contact information can be added to their files.

IF THE SUBMISSION IS BASED UPON WORK THAT HAS BEEN SPONSORED OR SUPPORTED BY AN AGENCY OR ORGANIZATION OTHER THAN OSU LIBRARIES, YOU REPRESENT THAT YOU HAVE FULFILLED ANY RIGHT OF REVIEW OR OTHER OBLIGATIONS REQUIRED BY THAT CONTRACT OR AGREEMENT.
