Mrs. E. McKinnon  
State Supervisor, Social Service  
Executive Chamber  
Oklahoma City, Oklahoma

Dear Mrs. McKinnon:

Your letter of recent date, making inquiry concerning the qualifications of Mrs. Elsie D. Hand for a position as Social Service Supervisor in the Federal Relief Work, has been received.

Mrs. Hand served as librarian at this institution for a number of years. She is a woman of splendid ability and good training. Her many years of experience in the library have, in my judgment, fitted her admirably for public work such as she is seeking. She is of strong character, has a pleasing manner, and is energetic. I believe that she would render excellent service if given a place in your Department and I am glad to recommend her to you. I shall appreciate your favorable consideration of her.

Sincerely yours,

Henry G. Bennett
